Dear Families,

We are only a few days away from welcoming back our students. As promised, we made a short presentation about our reopening and tried to address your questions throughout the presentation regarding our reopening. Please click [here](#) to view the presentation.

Please see below for other information and reminders about this school year and the first day of school.

As always, if you need anything, please reach out to Maria.

Sincerely,

Noreen

Daily Health Screening

Students must present their health screening before they enter the school building. We really need your support in ensuring your child can show the completed health screening on their cellphone or gives us a paper copy of the completed health screening at the door. You can find the link to the health screener [here](#) and if you need any support, please reach out to Maria (parentcoordinator@ms442.org).

Masks

Masks must be worn at all times by the staff and students regardless of vaccination status. Please click [here](#) and look over the DOE's website about health and safety in schools.

Health and Safety DOE Website

Please visit the DOE's [Health and Safety](#) website to learn more about COVID-19 testing, positive cases in school and other health and safety topics.
